German Language School of Morris County

Oktober 30, 2004

Happy Halloween!

Warm Welcome To:

A warm welcome to our new Grade 7th & 8th Teacher, Miss Kathleen Tegeler, who holds a Bachelor of Arts Degree in German Language and Literature from the George Washington University, Washington D.C.. She was the recipient of the Cecelia M. Sehart Award for excellence in German, 2000 -2003, and was inducted into the National German Honor Society Delta Phi Alpha, 2002-2003. Miss Tegeler was also awarded the Hermann and Johanna Richter Schoenfeld Prize for outstanding scholarship in German, 2002-2003. Upon the completion of her studies at the Humboldt Universitaet, Berlin, Germany, 2001-2002, Kathleen Tegeler taught at the Carl-von-Linne School for the Disabled in Berlin, Germany, and she is the new German Teacher at the Morristown High School. As of October, 2004, Kathleen Tegeler is certified to teach German in the State of New Jersey, and we are very happy to have her join the 2004-2005 Faculty.

We are off to a great start of the 2004-2005 school year at the Morristown-Beard School, 70 Whippany Road, and welcome 73 enthusiastic students.

All classes are open for more students, so please seize every opportunity to recommend the German Language School award-winning programs, and bring new students to sit in on our exciting classes. There is no charge for the first Saturday of getting to know us! Bring a snack and juice in a carton!

STEBEN PARADE IN NEWYORK CITY

We marched in the Annual Steuben Parade down Fifth Avenue in New York City on Saturday, September 18th, in the aftermath of the hurricane. During our entire march we enjoyed warm sunshine, but as soon as the parade was over, it rained again.

OKTOBERFEST AT GERMANIA PARK

We enjoyed a wonderful Oktoberfest on Saturday, October 23rd, with a total of 69 people, 45 adults and 24 children, about twice as many as last year. It was a very successful event with such famous entertainers as the popular accordionist Michael Spudic and our own popular soloist Bronwen DeSena keeping the audience spellbound with such Marlene Dietrich hits as Lili Marleen and Lola. Kudos to Frau Wunderbar Sabine Mitra who ran the most successful and enjoyable games ever for the children along with the teachers: Frau Margaret Wallis and Frau Kathleen Tegeler - a dream team! You just had to look at the children's faces, and you could tell how much they enjoyed the games. Our compliments, congratulations, and heartfelt thanks to all our entertainers and game makers.

Children and adults alike admired the beautiful and exciting posters, student drawings, and narratives displayed at the Germania Park, Dover. The children even had their own Craft Corner. Everyone enjoyed the delicious German cuisine and singing the "Kolumbus" Song!

PIANO LESSONS

Who was Emile Jacques Dalcroze?

A Swiss musician who wanted to enable students to become more musical. He
taught at the Geneva Conservatory. His method teaches students to learn to play
the piano and other instruments eventually without the help of a teacher. A method
that becomes pure joy, and which will last a life-time.

If you are interested in learning more about this method by taking piano lessons,
please contact Steven Stratvert: 973-644-0062; email Steven@MegaWeb.net

Web Hosting for only \$7.50 a month check out **eMageWeb.net** on the
Internet. Business owner is Kevin Stratvert, a former GLS student.
